September 2008

We know many of you enjoyed our various projects as much as we have and we wanted to let you know our latest news. We are thrilled to be able to announce that after a couple of years of running purely short 10 week, weekend or 1 day projects, we will be starting a weekly (mostly term time) group again as from October 08 2008, please find enclosed an information brochure, group ground rules, membership form, friends of Making a Scene information and a donation form (just in case you or your friends and family would like to support us).

If you would like to apply to become a Making a Scene member please complete the enclosed Membership form and return as soon as possible to:

It has taken some time to find a suitable venue in central Southampton to hold weekly sessions on Wednesday afternoons, we have chosen Wednesday afternoons for several reasons including, we used to run our original weekly group in Eastleigh on Wednesday afternoons, the short projects we have run in Southampton and Winchester were all Wednesday afternoons and from the feedback we have received so far from people interested in joining Making a Scene, Wednesday seems to be the most popular choice, with sessions running from 1:00pm until 3:00pm (breaking for Christmas and summer holidays).

As you know we are not currently receiving any core funding, so we are having to make a small charge for annual membership and we will be asking for a donation towards ongoing costs at each session.

Please note this is not one of our short projects, this will be an ongoing group with a permanent base. Please return your membership form as soon as possible in order for us to confirm your place within the group, The venue, days and times will be confirmed when you receive your welcome letter.

We do hope to run the occasional short project or weekend project to include those wishing to be members who cannot attend the Wednesday afternoon sessions due to work commitments, please do make us aware in writing if this applies to you.

We look forward to hearing from you and hopefully working with you from October

Kind regards
