

### **Eastleigh Spiritualist Church Membership**

Your attendance at our church services and the fact that you have picked up this leaflet would suggest that you are interested in Spiritualism.

If you are interested in becoming a member of Eastleigh Spiritualist church please feel free to talk to any of the committee who will be happy to talk to you and give you the application form (An Invitation) to complete. Membership is open to anyone who is not a member of a Spiritualist organisation which holds beliefs incompatible with the Seven Principles, which are the basis of our Religion.

*The Fatherhood of God.*

*The Brotherhood of Man.*

*The Communion of Spirits and the Ministry of Angels.*

*The Continuous existence of the human soul.*

*Personal responsibility.*

*Compensation and retribution hereafter for all the good and evil deeds done on earth.*

*Eternal progress open to every human soul.*

**Associate membership** may be granted by the committee upon application through its Secretary to the Committee, which may accept, defer or refuse applications at its discretion. The Secretary shall notify each applicant of the Committees decision.

Before an invitation to Full Membership is extended the committee will satisfy itself that the person concerned has a basic knowledge of SNU Spiritualism and is aware of and has accepted the implications of membership and the commitment they are undertaking to the Church.

A decision not to invite an associate member into Full Membership does not terminate their Associate membership, which will continue unaffected.

Invitation to **Full Membership** shall be by invitation from the Committee and shall be open only to:

- (a) Those who have been Associate Members for not less than six months; or
- (b) Those who are Class B members of the Union; or
- (c) Those who are currently full Members of another SNU affiliated Church or have been such within the preceding twelve months.

**Each Church Member on passing from Associate to Full Member signs the role book of the Church adopting the Seven Principles and Religion of Spiritualism.**

A current copy of 'Rules For Churches' is attached to the notice board if you wish to have a copy please talk to the church Secretary.

Please take the time to understand our religion, learn the rules and enjoy the progression it will give you.

**Class D Membership** is a form of Union membership which is open to Church members who do not wish to join the Union as Class B members but who wish to be brought into a closer relationship with the Union than ordinary Church membership can give. Class D members pay no subscription to the Union and have no voting rights within it but they can attend and speak at general meetings of the Union and its district councils and receive a Union circulation via their Church. This system is intended to enable those Church members who take advantage of this facility to feel that they belong more to the Union, increase their participation in Union and district council affairs, strengthen communication throughout the Union and draw the Churches and the Union closer together. If you would like more information please ask the church secretary

**Class B Membership of the Spiritualist National Union of Churches** entitles each member, among other things, to receive all SNU circulations, have access to a wide range of advice, information and assistance on Spiritualist matters, participate in affairs of the SNU at local and national level, including the right to attend meetings and vote in elections, participate in the SNU's educational scheme and hold its awards, enjoy the facility of a wide range of personal insurance and generally enjoy the advantages offered by a practical brotherhood of persons devoted to a common object.

One important facility which the SNU offers to members is the provision of an educational scheme which provides courses in the various aspects of the movement: it conducts examinations for those who wish to take them and makes awards to successful candidates.

Members receive regular circulations from the SNU containing useful material and newsletters, including details of the Arthur Findlay College programme of activities at Stansted Hall. Members also have the benefit of association and friendly meeting with other members in the same area by belonging to one of the fourteen district councils into which the SNU is divided; district councils hold regular meetings of members throughout the year, at which items of interest and important business are discussed.

#### **Requirements for Class B membership**

The application form for Class B membership must be

sponsored by two persons each of whom is a Class B member of the SNU; in addition, one of the two sponsors must have been a Class B member for at least three years and reside in the district council area of the applicant. When the signatures of sponsors have been obtained, the form should be returned to the SNU's Head Office with the accompanying initial membership subscription-currently £26 (annual renewal £21). Application forms available in church and on SNU website.

#### **Educational Courses**

A full booklet called 'Training, Awards and Educational Programme' is available from SNU General Secretary, Redwoods, Stansted Hall, Stansted CM24 8UD

Costs are kept to a minimum; (all Organisers, Tutors and Examiners give their services free). Details of costs together with any further information can be obtained from the Educational Committee; Chairman/Student Registration Officer: Mrs D Annable OSNU, 24 Millers Park, Wellingborough, Northants NN8 2NG. Or Deputy Chairman/Secretary, J.D. Douglas DSNU, 2 Peacock Drive, Paisley PA2 9AT.

Participation in the educational programme is quite voluntary and may be undertaken by anyone. If the applicant is not a Church Member, Provisional or Full Class B member of the SNU they will be required to pay increased enrolment fees.
